

Support Services

We are dedicated to ensuring a barrier-free and inclusive campus environment that supports the everyday needs of students with disabilities. Our comprehensive services are designed to ensure equal access, mobility, and participation in academic and campus life.

Mobility & Accessibility Facilities:

To support students with locomotor impairments, we provide:

- **Electric carts, e-bikes, and e-cycles** for enhanced campus mobility.
- **Manual and electric wheelchairs** based on individual assessments and requirements.
- **Accessible infrastructure**, including barrier-free classrooms, hostels, restrooms, and other key campus facilities.

Health Evaluations & Assistive Aids:

We collaborate with leading medical institutions to offer specialized assessments and assistive devices:

Voluntary Health Services (VHS) Hospital:

- Ophthalmologic evaluations
- Provision of visual aids and assistive devices

Sri Ramachandra Medical Centre Hospital:

- Hearing assessments
- Provision of hearing aids and related support
