07. Co-Curricular Affairs Secretary (CoCAS)
08. Academic Affairs Secretary (AAS)
09. Student Ethics and Constitution Commission (SECC)
10. Student Election Commission (SEC)
11. Financial Accountability Committee (FAC)
12. The Fifth Estate (T5E)

GENERAL GUIDELINES

1. The following guidelines lay down the framework in which the reader is supposed to read, interpret and preach the Position of Responsibility Charter (PoR Charter) as defined by SECC below.
2. The PoR Charter aims to achieve the following objectives:
 - A) One-stop solution to access recruitment process information about all the Student Government Associated Organisation (SGAO) PoRs handily.
 - B) No need to revisit multiple rulebooks of various student government officials to access information about the PoR recruitment process.
 - C) To maintain and ensure transparency in the PoR recruitment process by empowering the General Student Body (GSB) with the PoR Charter.
 - D) On finding a discrepancy between the PoR Charter and the ongoing recruitment process, GSB members can approach SECC anytime to seek justice.
 - E) PoR Charter aims to foster a better standard of living among the GSB members by cherishing meritocracy and negating nepotism & favoritism.
3. As per Chapter V, Section III, Clause IV, Sub-Clause C of the Students' Constitution of IIT Madras, SECC has the authority to interpret all legislations that have been passed into laws. Since rulebooks are one such part of legislations that have been passed in the SLC over the period of time, SECC has interpreted the recruitment procedure mentioned in the rulebooks in the following PoR Charter.
4. The PoR Charter draws its existence from the Rulebooks of the Executive Council (EC) Members, Rulebooks of the Constitutional bodies and the Students' Constitution of IIT Madras, which has been passed by SLC. In no way there can be/should be any contradiction between the PoR Charter and its sources of information. If there is any contradiction then the Rulebooks/Students' Constitution of IIT Madras shall always prevail.
5. The authority to amend the PoR Charter shall solely lie with SECC. The execution of the PoR Charter shall be the joint responsibility of the EC, FAC, GSB, SECC, SLC & T5E.
6. GSB members are requested and encouraged to reach out to SECC by mailing SECC on its official mail ID if any of the SGAOs or student government officials do not follow the PoR Charter diligently.
7. For any suggestions or feedback regarding the PoR Charter, feel free to approach SECC via its official mail ID — secc@smail.iitm.ac.in.

MAIL COMMUNICATION GUIDELINES

1. Officially communicate (via Student-mail & Aspirants WA Groups):
 - a) The eligibility criteria for a particular position.
 - b) The members of the selection panel as per the rulebook.
 - c) The criteria based on which selections are made.
 - d) Acceptance/rejection mail to the particular aspirant.
 - e) Feedback mail, if requested.
2. Any informal/unofficial communication of acceptance/rejection will be considered null and void.
3. If any student requests the selection panel for these details (as elaborated in Point 1) and does not receive a response, they can reach out to SECC for assistance. GSB members are encouraged to reach out to SECC by emailing us at secc@smail.iitm.ac.in if any SGAOs or student government officials do not follow the PoR Charter diligently.

For any suggestions or feedback regarding the PoR Charter, feel free to approach SECC via its official email ID. Any changes to the rulebook (passed by the SLC) that affect selection procedures must be communicated to the SECC by the Executive Council so that the PoR Charter can be updated accordingly.

WISDOM BITE

1. As per Chapter II, Section I, Clause X of the Students' Constitution of IIT Madras, every GSB member has the fundamental Right to Seek Information about the selection criteria before/during/after the recruitment procedure for any PoR.
2. As per Chapter II, Section I, Clause V of the Students' Constitution of IIT Madras, every GSB member would be given equal opportunity to apply for a PoR. However, this does not prevent student government officials from listing out relevant criteria for said PoR subject to judicial review on the basis of the spirit of the Students' Constitution of IIT Madras.
3. As per Chapter V, Section III, Clause IV, Sub-clause D of the Students' Constitution of IIT Madras, GSB members can reach out to SECC if there is any dispute related to the PoR recruitment process to seek justice.
